HEADER.TXT

ABOUT.TXT

you prolly already know who i am if youre here.
i "redid" my old site cause i lost the files
lol. also, if i do it like this, mobile phones
can view it properly!!

LOG_01.11.26.TXT

color palletes legitimately drive me fucking
INSANE!!
from now on, to spare myself the trouble, i will
only use red white and black. the end. no fucking
pallete or swatch or stupid theme ifj
